Morris Park Hace Track, June 6.—It was truly a holiday crowd that attended Morris Parke Hacel Track, June 6.—It was truly a holiday crowd that attended Morris Park to-day. As early as 2 o'clook the grand stand was comfortably filled, and as for the free field it was overflowing.

The programme put up for to-day was the finest of the meeting, and if any of the croat-vers for large fields are not salided with to-day's eard they are mighty nard to suit, for the smallest contains seven entries and the largest finineteen.

There were two important stake events on boday's programme, the Great Eclipse Stakes

SIXTH BACK.

There were two important stake events on to-day's programme, the Great Relipes Stakes for two-pear-olds, which is worth about \$15,000 of the winner and in which there were seven-centh probable starters. This race proved a great contest, for most of the orack youngaiers were entered.

The New York Jockey Club Handicap, in which Tristan, Raceland, Tournament, Demuth and Pagan came together, was one of the best contests of the season, for every horse with a face the starter had a special preparation and was keyed up to the highest point.

The day was not quite as bright as one would wish. The sun was obscured by lowering bloods which bore strong evidence of giving the tace-goers a wetting before the day was with his source ever since they arrived here. They have been coughting and some of them Gloucester races were to begin to-day M. J. Daly sent his entire stable to the Jersey track at once. Jimmy Mctornick has had hard lock with his horses ever since they arrived here. They have been couching and some of them have more serious ailments.

Amazon the other day received an injury during a race which will lay her up for some time. The meeting here will be brought to a close in the middle of next week.

The results of to-day were as follows:
First Race—Five-eighths of a mile.—Arthur won, with Adolph second and Dahiman third. Time—1.05%.

Second Race—Half a mile.—Carmine won, Fremont second and Katurah third, Time—0.49k.

Sweepatakes winning rainer easily by three lengths from the favorite. Clara C. coit was third.

A funny incident coccurred. Gold Digger Turned out of the straight track, jumped over the fence and started around the circular track. As he was a rank outsider it caused much merriment on the grand stand.

Jamison, who rode the Gold Digger, who cont out a track for himself, lost his seat and was thrown and quite severely injured. It was stated that his leg was broken.

The second race was well contested until the last quarter, when L'intriguante came away and won handily. Hey Del Rey was second and an annual bear third.

The third race, the Great Relipse Stakes, brought together exteen two-year-old, with Morris's Spinaiong the favorite and Osric second choice.

The attendance by this time had reached 25.

Tammany, a rank outsider, won. Three was a big keek with the bookmakers on the division of the second and third place money.
